**REMARKS**

We're trying to tighten up our locator controls to keep updated badge and telephone listings and work space requirements. To this end, please advise me of the names and organizational affiliations of any contractor reps, liaison officers, detailees, or other TDY-type personnel who currently occupy work space in your units but are not assigned to the ICS T.O. We've had a problem keeping track of the comings and goings of such persons in the past and have found it necessary to get a better handle. Appreciate your assistance.
